

Curriculum Vitae

Name: Satit Karoonboonyanan
Date of birth: 26th February 1975
Age: 48
Gender: Male
Marital status: Married, 3 children
Religion: Buddhism
Foreign Languages: English (good), French (fair), Japanese (fair), Chinese (fair)
Permanent Address: 168 Moo 2, T.Thai Pho, A.Mueang Phitsanulok THAILAND 65000

Email address: satitk@gmail.com
Mobile Phone No.: +66 87 212 9175
Facebook/Fanpage: Satit Karoonboonyanan
(<https://www.facebook.com/satit.karoonboonyanan>)
Satit Midlife (<https://www.facebook.com/SatitMidlife>)
Boonyanan Farm (<https://www.facebook.com/boonyananfarm>)
Fields of Interest: Engineering(Mechanical, Agricultural, Industrial)
Business Administration
Biomedical Sciences and Engineering
Philosophy, Religions, Linguistics

Educational records:

2011	Training “Toyota Production System (TPS)” at Thai-Nichi Institute of Technology
2010	30-hour construction safety training, Cargill
2009	Bachelor Degree of Business Administration (Accounting), Sukhothai Thammathirat Open University
2005	Master Degree of Engineering (Agricultural Engineering), Asian Institute of Technology (GPA 4.00) [Thesis title: <i>Wear Characteristics of Thermally Sprayed Rotary Tiller Blades</i>] Y.Y.Kishida Prize and AIT Alumni Association Prize
2005	Bachelor Degree of Education (Secondary Education), Sukhothai Thammathirat Open University
2000-2002	Doctoral of Philosophy degree of Biomedical Science at Prince of Songkla University (did not finish)
2000	Training “Mechatronics and its applications” at Central Institute of Tool Design, Hyderabad, India (3 months)
1996	Bachelor Degree of Engineering (Mechanical Engineering), Kasetsart University (GPA 3.19)

Work Experiences:

2022-current	Consultant at Mig Concrete Part., Ltd.
2022-2023	Data Analyst at Phitsanulok Sugar Co.,Ltd.
2017-2021	Consultant at Kaset Phattana Industry Co.,Ltd.
2015-2017	Team member of ERP software (Microsoft Dynamics AX) implementation at Kaset Phattana Industry Co.,Ltd.
2012-2014	Leader and Trainer of Toyota Production System (TPS) projects, Kaset Phattana Industry Co.,Ltd.
2011-2013	Consultant, Arthitwong Construction and Engineering Limited Partnership
2011-2017	Assistant General Manager, Kaset Phattana Industry Co.,Ltd.
2009-2011	Plant Manager and Site Coordinator for 150-million Baht feed mill and warehouse construction project, Cargill Siam Co.,Ltd., Phitsanulok branch
2009	Production Supervisor, Monsanto Thailand Co.,Ltd. Phitsanulok
2005-2009	Assistant General Manager, Kaset Phattana Industry Co., Ltd., Phitsanulok
2007	Guest Lecturer (Mechanical Design), Faculty of Engineering, Naresuan University, Phitsanulok
1999-2000:	Advisor, NU Student Administrative Board, Naresuan University, Phitsanulok
1998-2000:	Assistant Dean for Academic Affair, Faculty of Engineering, Naresuan University, Phitsanulok
1997-2000:	Advisor, Academic Club, Engineering Student Union, Naresuan University, Phitsanulok
1997-2000:	Lecturer, Department of Mechanical Engineering, Faculty of Engineering, Naresuan University, Phitsanulok
1996-1997:	Engineer and Project Coordinator, Adams Parking (Thailand) Co., Ltd., Bangkok
1994	Engineering Intern, Kanchanaburi Sugar Industry Co., Ltd., Kanchanaburi

Publication

- Satit Karoonboonyanan, Vilas M. Salokhe and Panadda Niranatlumpong (2007), Wear resistance of thermally sprayed rotary tiller blades, *Wear, Volume 263, Issues 1-6, 10 September 2007, Pages 604-608*
- Satit Karoonboonyanan, Vilas M. Salokhe and Panadda Niranatlumpong (2005), Preliminary Study on Wear Resistant Coatings for Rotary Tiller Blades used in Agriculture, Proceeding of NSTDA annual conference 2005, National Science and Technology Development Agency, THAILAND
